Dear Judge Gleeson:

On behalf of Marek Inglot, and with the governments consent we respectfully request that the trial, which is currently scheduled for July 17, 2006, be adjourned to the week of September 11, 2006, a time we understand is convenient for the Court.

Although I strongly anticipate a plea in this case, I make this request because my mother-in-law was recently diagnosed with cancer, and as a result, I have been out of my office with some regularity for the past eight weeks. For this reason, I require additional time to resolve issues relative to Mr. Inglot's plea agreement and plea. In addition, should the case actually need to go to trial, I will require additional time to prepare.

Accordingly, we respectfully request the Court adjourn the trial as requested above, or to a date convenient to the court. When considering this request, I most respectfully request that the Court be mindful, that I will be out of the office for the first two weeks in August on a pre-planned family vacation.

Your consideration in this matter is greatly appreciated.

Respectfully,

Barry Zane
